Dear Sir,

General Secy with Compliments.

Before leaving on tour I saw Diwan Bahadur K.S.Chandrasekhara Aiyar who has very kindly consented to be the Chairman of the Enquiry Committee. He requests that he might be consulted in regard to other Committee Members before they are appointed by Government.

I saw also Diwan Bahadur K.R.Srinivasa Iyengar regarding the appointment of a Government Official as the Secretary of the Land-Mortgage Bank. He has promised to think over the matter again and write to me or discuss the matter with me after ... return from tour.

Yours Sincerely,

Dear Mr.Matthan,

The Co-operative Societies Registrar Mr.Mehk saw me on Sunday; and at the end of our talk I was able to tell him definitely that I was prepared to accept the presidentship.

I presume I shall be unofficially consulted about the terms of reference to the proposed Committee. As regards personnel, I hope the choice will fall on gentlemen who, besides being persons of weight and experience, are also "committee-able" (by which I mean inclined to pull together and to arrive as far as possible at integrated common opinions in preference to ploughing their own solitary furrows).

The Registrar thinks his Deputy Mr.K.Subba Rao may be the Secretary. I agree, tentatively, subject to a change if necessitated by experience. I know nothing personally about this Officer. It is just possible that in the later stages when the material has to be actively worked up, some one not so closely identified with the Department may be more serviceable. However, if any change is needed, I shall submit my suggestions at the proper opportunity

Yours sincerely

N.S Chandrasekharaiya

NOTE.—Cover Sheet.

5 The proposal involves an extra expenditure of Rs 4,324 and there is no provision for the purpose in the current year's budget. The provision in the current year's budget from which the above amount can be met has also not been pointed out. As the Budget position does not permit the sanction of additional grants, any extra expenditure has to be met by reappropriation.

6 Provision has been made for steno-typist, clerk, peons etc., for 6 months. The need for a whole-time steno-typist and two whole-time ~~xkx~~ peons for 6 months is not clear. It is for consideration if the Committee cannot finish the work much earlier, say, in 3 or 4 months. To some extent at least, the existing staff in the Registrar's office may be entrusted with the above work in addition and small extra allowances may be sanctioned wherever necessary, instead of appointing ~~whole-time~~ whole-time steno-typist or peons. Instead of Entertaining new peons the Supernumeraries in the By Sect might be utilised.

7 The purchase of a new typewriter for such temporary work is not right. One of the typewriters in the Secretariat or in the Registrar's office may be made available for the prupose. The provision for "Reference books" appears to be high and a smaller provision should suffice.

8 The need for a whole-time Secretary for two

Serial No.

months for drafting the report is also not clear. It is for consideration whether this work cannot be attended to by him, in addition to his ordinary work. If necessary he may be given a lumpsum allowance of Rs 50/- for this work.

9 As in the present financial condition, all avoidable expenditure should not be permitted to be incurred the minimum expenditure which may be considered necessary may alone be sanctioned.

Subject:—

Appointment of a Committee to enquire into the working of the Co-operative Movement in the State.

At the last Budget Session of the Representative Assembly a resolution recommending the appointment of a Committee to enquire into the present state of the Co-operative movement in Mysore and to make recommendations in regard to the future lines of development was moved and was accepted by Government. The Registrar of Co-operative Societies who was addressed in the matter has proposed that a Committee with Rajadharmapravina Diwan Bahadur K.S. Chandrasekhara Aiyar as President and the official and non-official gentlemen mentioned in his letter as members may be appointed for the purpose. Draft terms of reference to the Committee as also proposals for an incidental expenditure amounting to Rs.4,324 on account of establishment, stationery, etc. have been forwarded. The Registrar further recommends that Mr. N. Madhava Rao, Assistant Commissioner doing duty as Assistant Secretary to Government may be appointed ex-officio Secretary of the Committee and placed on special duty when the report is to be drafted.

The Financial Secretary has suggested certain reductions in the expenditure, but it is found that no reduction as suggested by him is possible.

I am of opinion that the proposals of the Registrar are suitable and may be accepted. The Dewan and the Second Member of Council are also agreeable to the proposals which may be graciously approved.

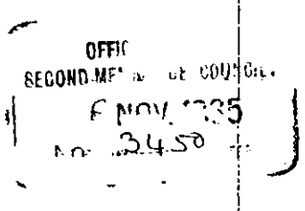
I understand from Mr. N. Madhava Rao (Asst Secy) that, from the instructions he has already received from the Chairman of the Committee, he felt it would be convenient if he could devote his whole time to the work of the Committee. I had a discussion with the Chairman and he also is of opinion that in order that the work may be completed within the expected time, it is desirable that Mr. N. Madhava Rao's services should be entirely at disposal of the Committee from now.

Mr. Madhava Rao's work as Assistant Secretary to Government is of a fairly heavy nature and in view of the Administration Report and other special items of work that have to be attended to in the Secretariat, it is not possible to relieve Mr. N. Madhava Rao of his duties here without a substitute. I would therefore suggest that Mr. N. Madhava Rao may be placed on deputation as whole-time Secretary of the Co-operative Committee immediately and provision made for his salary on this account for the full period of six months.



I shall submit proposals separately in regard to the selection of another officer for appointment as Assistant Secretary to Government in his place.

The Mysore Co-operative Enquiry Committee.

Terms of Reference:

The Government of His Highness the Maharaja are pleased to appoint a Committee, constituted as shown hereunder, to inquire into and report on the progress of Co-operation in the Mysore State, to suggest suitable measures of improvement, and to make recommendations in regard to future lines of development.

The functions of the Committee will embrace an inquiry into the present state of the Co-operative Movement in its various forms, and with special reference not only to co-operative credit, but also to co-operative production, distribution and sale, as well as to house-building, insurance and other (relatively) less developed sides of activity. It will, further, comprise an investigation of the financial system generally, including the connection between the various parts of the co-operative organisation, and an examination of the working and future development of the Land Mortgage Bank; also suggestions for the promotion of efficiency and convenience in such matters as propaganda, supervision, control and management of institutions, and the disposal of co-operative disputes. The Committee will be at liberty to deal with any other aspects of the Movement which may seem to it to be of fundamental importance.

For the purposes of the inquiry entrusted to the Committee, it is empowered to invite opinions, to examine witnesses, to obtain such statistics and other information as it may require, and to visit such places and institutions as it may consider necessary. The Government trust that all persons, official and non-official, and all co-operative societies will afford every facility for the conduct of the inquiry.

Dear Mr. Madhava Rau,

I have looked through both the Drafts you sent me. Draft no.I is all right, and I have no suggestions to make. The personnel of the Committee is comfortably large, and it may well be hoped that its labours may be correspondingly solid and comprehensive.

I presume separate instructions will be issued to the Government Press to execute with promptitude, and without further authorization, all work of the Committee sent by the Chairman. (In view of the number of copies to be made at one time of important notes, summaries, etc., it may occasionally be found necessary or convenient to get them printed instead of typed or cyclostyled).

1. This is perhaps necessary

Draft II assumes that the work of the Committee will be completed in about six months. Government may rest assured that I shall do everything in my power to expedite the work consistently with its being fairly satisfactory and thorough. It is just possible that owing to various contingencies which cannot be fully provided for now, -- such as the convenience of members from the districts in regard to attendance at meetings, the time required to get replies from within the State and outside to the Committee's detailed questionnaire, the selection and examination of a number of witnesses to be invited to offer evidence, visits

35

of inspection by the Committee to selected institutions in the mofussil, and so on, -- the time limit may have to be exceeded. We need not, however, anticipate this just now; I only mention the possibility.

As regards the Secretary to the Committee, I am really glad that an intelligent and energetic young officer has been selected; and I hope to make full use of his services. I may say here, speaking from experience of similar Committees with which I have been associated, that the brunt of the work -- especially the hardest part of it, namely, the collection and study of relevant material, the boiling down and digesting of matter, the preparation of notes and summaries, and the drafting of the final report, falls (naturally enough) on the Chairman; and unless he has constantly at hand a capable and willing assistant, the strain will be heavy indeed. This will be particularly so in the case of a technical subject of the kind with which the new Committee will have to deal. If Mr. Madhava Rao is to be of real help to me as Chairman as well as to do justice to this work as Secretary of the Committee, I feel that he must be relieved of a substantial portion of his work in the Secretariat from the very first. We can watch during the next two months how this arrangement works; and then if further or entire relief is required, I shall approach Government for action in the matter.

To save trouble with the Comptroller's office, it is desirable to intimate to him specifically that as Chairman of this Committee I shall be entitled to my usual travelling allowances as retired

Chief Judge (specifying the rates). The opportunity may perhaps be taken to include retired Chief Justices in Art.493 of the Mysore Service Regulations.

I do not think I have anything more to suggest at present. I return both the drafts.

Yours sincerely,

M S Chandrasekharaiya

Dear Mr. Mathur

I take the liberty of writing to you about the nomination of members to the Coop. Inquiry Committee Govt. is constituting. I strongly feel that there shall be at least one member who is thoroughly conversant with agl. cooperation & the details of the various experiments in this line that have taken place in our state in the past, as the results of these expts. will be of great value in the future lines of policy we may recommend. I need hardly point out that agl. cooperation of the kind we have attempted so far such as not only processing societies but also societies for the use of very large scale appliances like power sugarcane mills, ginning machines, pumping installations etc will receive a great deal of attention in the near future & our State is rich in experience in these matters. I do not know if there is anyone in the State who has had more to do in drawing up these experiments than myself & I should very much like to associate myself & a member

of the Committee & beg some decision, if you can nominate me as one. For Boris reasons I refrain from saying more.

I hope you will kindly excuse the liberty I have taken.

yours sincerely,

Order No.

Dated,

The progress of the co-operative movement in the State was reviewed in a comprehensive manner by a Committee appointed by Government in the year 1920 with Mr.(now Sir) Lallubhai Samaldas Mehta of Bombay as Chairman. The recommendations made by that Committee were for the most part accepted by Government and guided the activities of the Co-operative Department for several years. While the movement has advanced in certain directions as the result of measures then adopted, the progress has been meagre in others. Fresh problems have also arisen and new activities such as, for example, the establishment of Land Mortgage institutions have been undertaken. Meanwhile, the trade depression in recent years has put the resources of most of the institutions and their methods of working to a severe test. Government therefore felt that the time has arrived for taking stock of the whole situation and laying down, on considered lines, the policy to be pursued in the coming years for the regulation and healthy development of co-operative institutions in the State.

In this view, when a resolution was moved in the Representative Assembly during the Budget Session of June 1935 inviting the Government to appoint a Committee to enquire into the present state of the Co-operative

40

movement and to make recommendations in regard to the future lines of its development, they undertook to take action as suggested. They have accordingly decided to appoint a Committee constituted as follows:-

1. Rajadharmapravina Diwan Bahadur K.S. Chandrasekhara Aiyar, B.A., B.L., Retired Chief Judge of Mysore: CHAIRMAN.

Members:

2. Mr. A.V. Ramanathan, B.A., Chief Secretary to Government.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

Office of the Committee on Co-operation in Mysore,
Public Offices,

No. C-C-42 *Bangalore, Dated,* 23rd Jany. *193*6

From

The Secretary to the Committee on Co-operation in Mysore, Bangalore.

To

The Secretary to the Government of Mysore,
General Departments,
Bangalore.

Sir,

In inviting your kind reference to G.O.No.D-2853-56/C.S.8-35-6 dated 30th October 1935 sanctioning the posts of a part-time Clerk and a Steno-typist for the Committee, I am directed to state that owing to the influx of a very large number of replies to the questionnaire issued by the Committee, of which a summary has to be prepared for the information of members as quickly as possible, and in view of the examination of witnesses to be taken up shortly, the work devolving on the steno-typist now working with the Committee has increased enormously, and it is found difficult for a single hand to cope with the entire work as above, particularly with reference to the shortness of time within which it has to be got through.

I am to request that in the circumstances sanction of Government may kindly be obtained for the appointment of an additional typist on a pay not exceeding Rs.50 per month for a period of 2 months and orders communicated as soon as possible so that the work may proceed without delay.

I have the honour to be,
Sir,
Your most obedient servant,

N. Madhava
